Team Involvement in Demonstration

Date	20 October 2026
Individual Name	Shried Mandloi
Project Name	Electric Vehicle Market Performance & Insights
Maximum Marks	1 Mark

Team Involvement in Demonstration:

This document records the individual contribution and role during the demonstration of the Electric Vehicle Market Performance & Insights project. As this is an individual project, Shried Mandloi is responsible for presenting the project overview, data preparation, analysis, visualizations, dashboard insights, and conclusions.

S.No.	Presenter Name	Role in Demo	Section Presented	Contribution Summary	Participation (Active / Passive)
1	Shried Mandloi	Presenter / Project Developer	Project overview and objectives	Introduces the EV market problem, project purpose, and analysis goals.	Active
2	Shried Mandloi	Data Analyst	Data preparation and quality	Explains cleaning, missing-value checks, duplicate checks, and standardization.	Active
3	Shried Mandloi	SQL Developer	SQL queries and KPIs	Describes data queries, sales metrics, battery technology distribution, and driving-range calculations.	Active
4	Shried Mandloi	Dashboard Designer	Visualizations and filters	Demonstrates charts, filters, manufacturer comparisons, and vehicle-category analysis.	Active
5	Shried Mandloi	Insights Presenter	Results and key findings	Summarizes market trends, sales comparisons, battery insights, and customer ratings based on actual results.	Active
6	Shried Mandloi	Project Owner	Conclusion and future scope	Presents project limitations, possible improvements, and future analytical opportunities.	Active

Individual Coordination Notes:

Aspect	Details
Project Coordinator	Shried Mandloi (individual project owner)
Overall Coordination Rating (1–5)	5 — manages all project activities independently
Any issues during demo	Potential issue: ensuring dataset fields, SQL output, and dashboard filters are consistent.
How issues were resolved	Validate query outputs against the source dataset, check filter behavior, and verify chart titles, labels, and units before presentation.

Note: This template is adapted for an individual project. If your instructor requires actual demonstration evidence, add your real dashboard screenshots and adjust the listed activities to match what you completed.
